To whom it may concern,

This letter is to confirm that I have had the opportunity to work with S.W.Thompson Builders on many occasions over the last 19 years.

I have always found them to be cost effective and efficient Builders. The right attitude is a strength they have developed over the years and they always do the little bit extra to achieve the required outcome.

My last project with Thompsons was a complete Supa IGA refurbishment at Cranebrook in western Sydney, which was carried out on time and within budget.

Previous to that I worked with them on many difficult but successful projects while employed as a Construction supervisor with Cole's Supermarkets for 14 years.

I would have no hesitation what so ever to highly recommend them for any building project they tender on.

For further confirmation please do not hesitate to contact the undersigned.

Thank you,

Alan Young
